Parent Evaluation

Dear Parent's and Carers

As staff, we try to conscientiously to fulfil everyone's individual needs – government; local authority; parents; other carers; and most importantly YOUR CHILDREN's!

As you might imagine, it's a very demanding job (especially keeping up with national changes in policy and thinking) Sometimes we are so busy, we don't always recognise what we do well, or what we might be able to do better (given the perfect scenario) – so point out the obvious!

I know that you are all busy people, but we really do value your input. Please drop your form back...post it in the letter box or give it to a member of staff. If you feel able to provide a more detailed recommendation that you would be happy for us to use in our advertising materials, please do so on the back of the form. Many Thanks - Michele
